

GlowCaps™ are currently used in clinical trials at Harvard Medical School and Duke University as well as pilot studies with major insurance companies.

*“There are no buttons to press, or anything to learn. GlowCaps are really easy... and they work!”*

—Hypertension patient

*“The weekly email gives me peace of mind that my mother is taking her medications as prescribed.”*

—Relieved daughter

*“GlowCaps are one of the most important tools to help people consistently manage chronic diseases like high blood pressure, diabetes, and high cholesterol.”*

—Primary Care Doctor

# VITALITY GlowCaps

The best way to help you take important medications every day.

Cambridge, MA 02142

# GlowCaps are designed to address one of the biggest problems in healthcare: daily medication adherence

## EASY

GlowCaps are designed to fit on standard childproof pharmacy bottles.

## POLITE

GlowCaps pulse with light for an hour, then play a melody every five minutes to get your attention.

## TRAVEL-READY

GlowCaps remember every time you open them, even if you are traveling. Your progress report will be updated when you bring your cap home.

## REMINDER LIGHT

GlowCaps come with a reminder light for your kitchen or bathroom. It pulses orange if any GlowCap needs your attention, otherwise it glows steady blue like a night light.

## MANY COLORS

GlowCaps are available in a variety of colors to help you remember to take multiple medications.

## WEEKLY REPORTS

GlowCaps send you and a family member a weekly email to see your progress.

## Get a GlowCap today

Drop this card in the mail or visit [vitality.net](http://vitality.net) to enroll in a Vitality program.
